

August 2006

President's notes

Hi all,

The 13th of August saw us blessed with yet another glorious day for a competition after so much rain. We had a great competition with some very high scores. Congratulations to Kim Macdonald and Broughton Grianne for her exciting score of 83.33% in the Preliminary 1.1. There were many marks in the 70s also – it is great to have so many club members showing such quality work.

A new sponsor for the club – Warrawong Produce - helped raise some money for our building fund with the donation of feed for a raffle. Leanne Micallef was the lucky winner. Please see later in the newsletter for their pricelist. Competitors all received a Warrawong Produce voucher with 5% discount for feed. So take advantage of it and support our new sponsor.

The annual Dressage Championships are on the 8th of October, entry form in this newsletter. We will have great prizes and some fun things to do. Competitors at the last competition all received a sponsor form for a Rideathon fundraiser to be ridden at the Championships – this is an easy way to contribute to the club whilst riding your tests. Forms enclosed for those who did not receive them.

Sponsorship forms for the Championships are enclosed. We need to raise about \$2000 cash for prizes at this event. We are nowhere near that amount yet. We have received some cash donations and also some very smart goods, but we have a long way to go. Please don't leave it to the last minute – even \$2 or \$5 is a help.

On the education front, SCEC will be running an education night – “Dressage Demystified” on Friday 3rd November. Sue Cunningham – A level Judge, will be conducting the night. We will be discussing the arena use, test structure, the training scale and collectives and why a test is written as it is. This is an opportunity to have some of your questions answered. Come along and learn something new about dressage. More next newsletter and watch the webpage for information.

Melbourne Cup Day 2006

SCEC is inviting you all to join us at Archer Racecourse, Nowra for a fun day of food, wine, prizes, sweeps and racing. Yet another new SCEC sponsor – Equest World, Nowra – is our partner in this event. See more....

Happy riding
Liz

GROUND, ARENAS AND FUNDRAISING

- We are waiting for the outcome of our applications to Council, Sport and Recreation and the Club Development Network.
- We are starting the planning process for a club house design – please contact the committee if you have any ideas on this.

Fund raising items are going to be ongoing for some years. There will be a few functions, raffles etc this year which are already implemented – raffles at competitions, Rideathon Fundraiser at the Annual Championships and the Melbourne Cup Day at Nowra Race Course.

Please let us know if you have any ideas or contacts which may help with this mammoth task. Please don't expect that the small committee can do it all alone. We need the input of the members.

RESEARCH NEWS

IRIS~ RIRDC Equine Research News Issue 1/06

The Effect of Diet on the Behaviour of Young Horses

Past studies have suggested an influence of diet on abnormal behaviours in horses. Diets high in starch and low in roughage have been shown to increase crib-biting and may have an influence on aggressiveness in horses. A recent study was conducted to assess the influence of diet on the general behaviour of foals, their response to stress at weaning time and their performance in temperament tests. An additional part of the study looked at the stress response of foals that were weaned in the paddock compared to those weaned in stables.

Each foal in the study was randomly allocated to a group that received either a starch and sugar diet (SS) or a fat and fibre diet (FF). Diets high in starch and sugar are those with a high content of grain and they may contain sweeteners such as molasses. Diets high in fat and fibre are those that contain a high proportion of roughage such as hay or chaff and they may contain an added energy source, such as corn oil. In this study the different diets had no effect on the growth rate of the foals with both groups achieving similar heights and weights. The foals were kept in grass paddocks with their dams and they were fed twice a day from one month of age, with the ration increasing with age. At 6 months of age the foals were randomly allocated to weaning groups. One group was left in a familiar paddock with other weanlings while the mares were sequentially moved away. The other group of foals were moved to a large stable complex where they were housed in individual stalls but were still in visual contact with other weanlings.

The researchers found no obvious effect of the diets on the general behaviour of the horses in this study. However, there were significant effects of the diets on responses in times of stress (weaning) or challenge (introduction to new situations such as walking over a bridge or tarpaulin).

The study indicated that weaning in the stable was more stressful than weaning in the paddock. It was also found that foals on the FF diet seemed less stressed during weaning than the foals on the SS diet and this trend existed in both the paddock-weaned group and the stable-weaned group.

In trials designed to test the temperament of the horses, those on the FF diet were more willing to investigate a novel item (umbrella) than horses on the SS diet, indicating that horses on the FF diet were less 'flighty'. Horses on the FF diet were also more willing to move over a bridge and tarpaulin than horses on the SS diet, indicating that the horses on the FF diet were less fearful.

The researchers conclude that the dietary source of energy (starch and sugars vs. fat and fibre) has a significant effect on the behaviour of young horses and this effect is most pronounced in times of stress or during handling in novel situations.

SPONSORSHIP FOR SCEC CHAMPIONSHIPS 2006

SCEC Championships are nearly on us again. We are hoping to provide a great range of prizes this year and are now in need of sponsors to realize this aim. If even a few members could secure some donations it will help ensure a great day. If you know of anyone who would like to donate cash or goods towards the championship please approach them. The more people trying to secure donations the better. The committee members cannot do this themselves as successfully as a team of members can.

If members would like to donate towards the prizes at the Championships please complete the form below and return it with your donation.

Competitions

Prizes will be awarded to 3rd place in each competition due to the generosity of our great sponsors.

The winners will be the highest percentage scores in each competition.

Championships and Reserve Championships.

Please note – riders must compete in both tests at the appropriate level to be eligible for Champion.

There will be Championship and Reserve Championships for the following:

- **Open Preparatory**
- **Open Preliminary**
- **Open Novice**
- **Open Elementary**
- **Open Medium**
- **Open Advanced**
- **Open FEI**

The Champion and Reserve Champion at each level will be calculated by averaging the riders' scores from the 2 tests at each level.

- **Open Pony**

Open Pony Champion and Reserve Champion will be calculated on the basis of the average of the horse and rider's 2 highest scores on the day.

- **Junior**

Junior Champion and Reserve Champion will be calculated on the basis of the average of the horse and riders' 2 highest scores on the day. In the event of a tie the horse with the highest percentage in the higher competition at that level will be deemed the Champion.

SOUTH COAST EQUESTRIAN CLUB
RIDEATHON FUND RAISER AT THE ANNUAL CHAMPIONSHIPS
SUNDAY 8TH OCTOBER AT TERRY RESERVE ALBION PARK

SCEC is embarking on a major endeavor to raise funds for a club house and arenas. You can help by riding your tests at the annual Dressage Championships and by getting sponsors to pay a dollar or cent rate for your marks. The higher score you get the more money you raise for the clubhouse and grounds.

Even one sponsor each would help.

How does it work?

Competitors ask their friends, family, relatives and neighbours to sponsor them for each mark they gain in their dressage tests over 50%

Example – a sponsor offers \$1 per point over 50% - the rider gains 58% in their test – the sponsor pays 8x \$1 = \$8. The more tests you ride and the more sponsors you find the more you will contribute to the club. This is an added incentive to the incentive you already have to ride well at the Championships. Let's have fun and raise some funds at the same time.

In consideration for being permitted to participate in any way in horse sport activities, I, the undersigned, understand, acknowledge and accept that:

Horse sports are a dangerous recreational activity and horses can act in a sudden and unpredictable (changeable) way, especially if frightened or hurt.

There is a significant risk that serious **INJURY** or **DEATH** may result from horse sport activities.

I knowingly and freely assume all such risks, both known and unknown, and I voluntarily **PARTICIPATE** at my **OWN RISK** and assume sole responsibility for any injury, death or property damage I may suffer that arises from my participation in horse sport activities.

I understand and acknowledge the dangers associated with the consumption of alcohol or any mind altering drugs before and during the activities and I take full responsibility for any injury, loss or damage associated with their consumption. I agree not to drink alcohol or take drugs prohibited by law before or during any horse sports activities.

I agree to follow the directions of any event organiser or official and that any misconduct or refusal by me to follow any direction of any organiser or official can result in the **CANCELLATION** of my participation in the activities and my immediate removal from my horse **NO MATTER** where that may occur. I understand that any such non-compliance may result in injury, death and/or permanent disability as a result of my failure to comply.

I agree to wear a helmet at all times whilst riding where this is required under the relevant EFA and FEI rules and regulations and agree that I am solely responsible for ensuring that whilst riding I wear a suitable helmet at all times where required under the relevant EFA and FEI rules and regulations and take sole responsibility for my actions.

I have had sufficient opportunity to read this assumption of risk agreement, fully understand its terms and sign it freely and voluntarily.
