November/December 2006

Hi all,

Here we are at the end of a successful year for SCEC. The awards night, Christmas Party and Annual General Meeting on the 12th December at Jamberoo Pub, is the last function for the year.

2006 has been a year of change for SCEC with the move to new grounds. Looking back at the changes – we have been very lucky that the competitions have all been held (good weather fairy watching over us – except for a couple of hours at the Championships) – there was the potential for lots of teething problems but everyone has pulled together and all has gone smoothly.

Out of the move came a number of planning issues – some of which are now starting to progress. We have had approval and some funding from a very supportive Shellharbour Council for the leveling of the sites for 4 permanent arenas. It is planned to do this work as soon as possible so the ground has time to settle and the grass to grow back before the first competition in February. Once leveled – permanent surrounds will be sourced – this will save the club the cost of setting up arenas and security overnight – roughly \$500/competition (saving about \$3000/year). With permanent surrounds we will no longer have the problem of arenas blowing over in the wind. Once re-grassed we will gradually add sand to the areas to soften the surfaces.

We are still waiting for the results of our applications for funding for a horse safe fence and a club computer.

The next big item is the clubhouse. We will require temporary storage whilst plans are drawn up, council approval is sought and funds are raised. Hopefully a modular plan may be lodged which can be built in stages. Thank you to all the members adding a few dollars to their entries in the building fund and those buying the endless raffle tickets. Every bit helps.

On the subject of fundraising - our first funding event – The Melbourne Cup Lunch at Nowra Racecourse - was a runaway success with 100 people attending this inaugural event. The brainchild of Jen Symes, and sponsored by Karen and Tony Sheehan of Equest World Nowra, the lunch saw groups from Sydney, Helensburg, Nowra, Wollongong and everywhere in between, enjoying a fun day at the races. This event was the first of many fundraisers for SCEC building funds. If they all go as well as this event, we will have a clubhouse in no time.

All in all, a great year for the club. Hopefully 2007 will be even better.

On that note – we are in need of some new committee members. Please think seriously about standing for the committee – we have a great team who work very well towards the goals of the club. Your help will be greatly appreciated. Nomination forms in this issue. Please come to the Annual General Meeting before the Christmas Party and accept a nomination or nominate some new committee members.

Happy riding and have a great Christmas and New Year

Quote of the year

Ros Quist helped out yet again by judging between her rides at the November competition. At the end of the day, passers by overheard Doug Symes enquiring of Ros as to whether she would be helping us out next year...

Ros' answer – “As long as you continue to wear your balls on your head, Doug, I will do anything.”

(If you are wondering – November was our Christmas competition and members were encouraged to wear fancy dress. Doug was festooned in Christmas tree balls which were proudly displayed on his hat.)
