Presidents Report - September 2008

How the year is flying by ... seems only 5 mins ago it was February, and here we are now, through winter, back to spring and coming up to our Championships. Mark the date in your diary – **Sunday 19 October** – and don't forget to enter !! Once again we'll be running the Teams competition, so get together with some friends, thing up a suitable name, and enter a team.

Two weeks before the Championships we have another Training Day – **Sunday 5 October** – this will give you an opportunity to have a lesson with Tibby Barbour, and practice riding your test, with Ros Quist to give you helpful tips. Steve Fuller, local saddle fitter extraordinaire will also be available to help make sure your horse and you are comfortable in your gear.

The other date for your diary is the SCEC Christmas Party (and AGM) – **Tuesday evening 9 December** – details will be included in the next newsletter but keep the evening free.

The Larissa Chadwick Benefit Night is coming up on **Saturday 1 November** (see flyer in this newsletter). Anyone interested in joining a SCEC table at this very worthwhile supporting event please let us know.

Another successful competition day was held last month even though some of higher level riding members were away at the Olympics (don't they have some stories !!). Once again we were very lucky with the weather ...and we tried out a new position for an arena, to good reports from riders, although hopefully we will have our permanent arenas erected soon.

A big thank you, as always, to the many volunteers who donate their time to help us run our competitions – your efforts are much appreciated, we really couldn't do without you.

Till next time, happy riding Frances

From the Secretary's Desk

Grounds Development:

After meetings with council representatives over the last month, plans for further grounds improvement are in the pipeline. Money from SCEC has been allocated for considerable tree planting along the new fence where the permanent arenas will be set up. This will provide a screen for competitors from any distractions from the football fields and the pathway. As soon as the winds abate, council will organise spraying, planting, mulching and watering, so that there will hopefully be a good growing period before the summer heat arrives.

In the meantime logs have been ordered to supplement the supply from Integral and will hopefully be available in the next month. Our project manager is organising a suitable day for work to be underway. Again we hope that this will be sooner rather than later as the cost in both time and dollars of erecting temporary arenas for each comp is something we could do without!

Sponsorship:

We are including the **Sawmill trading Company** as one of our sponsors. When ordering poles for our arenas from them recently, not only were they very helpful but they also gave a 15% discount, saving us about \$1200!

Thank you goes to **Katherine McMaster** for her generous donation of a rug to raffle at the last comp. That was won by Sue Scaysbrook, one of our judges. Katherine will also be making more very generous donations for the Championships. As she has only just set up in her own business, we ask that you consider her offers when you are next in line for a rug purchase. The quality of the goods she is selling certainly looked good as they were paraded at the last SCEC day.

Many thanks also go to **Jamberoo CRT** for their generous sponsorship. They have agreed to provide vouchers to the value of \$100 for each of our competitions. This comp. the lucky winners were:

- | | |
|-----------------------------------|-----------------|
| • Best score of the day | Kim McDonald |
| • Best Pony/Junior score | Annelise King |
| • Lucky helper of the day | Caroline Morley |
| • 2 nd prize in raffle | Kim McDonald |

With the championships fast approaching we are always looking for more sponsors. If anyone has any ideas or would like to contribute, please let us know.

Advertising:

We often get requests to forward information and advertisements to our club members. Due to ever increasing nuisance mail and SPAM we need to be careful about what we pass on. In line with several other local clubs we have come up with the following procedures for sending out information or advertising.

- Printed ads can go in our newsletter which is printed bimonthly and distributed to all members. It is then archived on the website.
Cost for a ¼ page advert \$10 for members, \$25 for non members
½ page advert \$20 for members, \$50 for non members
Good causes such as benefit nights are free at the committee's discretion
- Advertising a business? We offer a directory service on our website. Costs are very reasonable, ranging from \$10 to \$50 depending upon the information supplied and the ad lasts for 12 months. Have a look at the relevant section of our website. Forms can be downloaded and sent to PO Box 179 Jamberoo along with payment.
- Sponsors - free advertising in the newsletter and inclusion on the directory for 12 months when sponsorship exceeds \$50.

Happy Riding

Mary

Larissa Chadwick Benefit Night

Bargo Sports Club, owned by Canterbury-Hurlstone Park RSL, is located only minutes off the M5 motorway and provides easy access for you to come and enjoy an evening with an aim to support popular dressage coach Larissa Chadwick.

Entertainment and a 3 course meal is included in the price of your ticket and all profits are to financially assist Larissa during this very difficult time as she battles Ewings Disease, a rare form of Cancer.

'Mad Cow' will entertain you for the night and there will also be an Auction held during the evening—so make sure you bring both your dancing shoes and your money with you!

Larissa is determined to be there on the night so please come and see her to show your support

A few photos from the 17 Aug SCEC Comp

From the Secretary – Re Results/Point Score:

Just a reminder of SCEC's rules for riders to qualify for Horse of the Year competition, as stated on the website:

- Riders must be members of SCEC for at least 6 months
- Riders must compete in at least 3 competitions during the year
- Combinations must achieve 55% or more for the result to be counted
- If entering more than 2 tests at any level – the best 2 results will be counted

For this year only, the February competition results were not included as some members were not able to ride due to EI restrictions. The last competition to be counted towards the point score is the Championship in October.

Any member who had not already competed in at least one competition prior to August has not been included on the point score tally as they cannot reach the criteria set for inclusion this year.

The August comp saw fewer entries from our usual members, some of whom were lucky enough to be at the Olympics inspiring themselves to strive for bigger and better results. We did have a number of EFA competitors who are not members and hopefully they enjoyed themselves enough to consider membership in the future. Although it is not mandatory to be a club member, if anyone is planning to compete a number of times in a year it is cheaper to join up. Membership fees also allow the club to work towards providing better facilities for everyone.

Each level of competition in August saw a huge range of scores in the results. This demonstrates not only the diverse range of ability but also differences in experience of horse and rider combinations. It is good to know that competitors feel confident and secure enough to try the next level up in tests. Sometimes low scores can be an indication that all is not well in the physical department with our mounts (my case this time when we dropped ten points on our usual scores and yes, he was well and truly out in his back!). Some horses are so generous at trying to please that they will attempt whatever they are asked in spite of injury. They deserve a medal for all their efforts. Other scores can reflect the nervousness of the rider who may be so uptight that their aids are significantly different to those given in the calm of training at home, resulting in confusion for the horse. The only way to overcome this situation is more competition so that the rider can learn to relax.

Probably the best way to view scores on a personal basis is comparing your results from different competitions. This will give a good indication of improvement that is hopefully taking place. Our judges do a fantastic job and it is interesting to compare scores when there are two judges at one arena. There are not often differences of more than a point here and there and their comments are designed to assist the rider in their efforts. Here's hoping that everyone will continue to enjoy their competitions and support our clubs.

SADDLE FOR SALE

Peter Horobin Amazone - Black 17"

Very good condition. Very comfortable saddle. Reluctant sale but unfortunately it doesn't fit my horse any more. Currently has extra wide gullet, but can be changed.

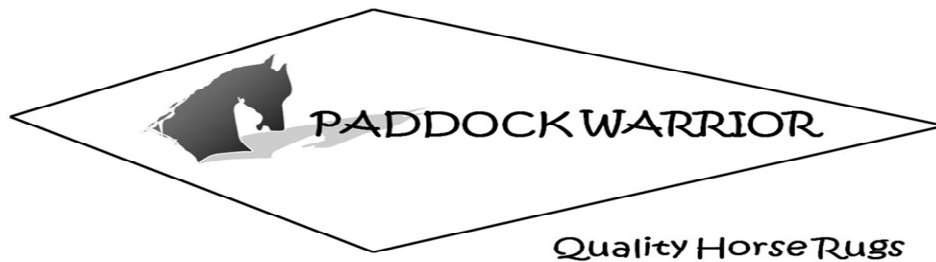

The Amazone, made for the woman's seat, is beautifully tailored with an artistic and elegant design. Based on the idea of the woman's bike seat it is more suitable for the woman as her pelvis is slightly larger than a males and therefore needs that extra bit of comfort and design.
