SOUTH COAST EQUESTRIAN CLUB INC NEWSLETTER

July 2011

## From the President July 2011

Haven't we been lucky with the weather. Once again we had a glorious day for our June comp. The fact that it was winter, that we had had some terrible weather in the weeks leading up to the comp (wind, rain), and that it was just past the shortest day of the year did not seem to deter people. In fact we had one of the biggest comps we have had for quite a while. And very pleasingly a number of new juniors either joined the club or came along to have a go at that strange beast called dressage !! All seemed to have an enjoyable day, and we hope they come back again next comp. Thanks to Katie Kelly, whose students many of them are, for encouraging them to participate.

Again at this comp we ran our new JACKPOT class ... the Novice Associate 2C this time ... first, second and third placegetters won prize money ... congratulations to them ... prize money is a percentage of the entry fees the club received for that class. Later in this newsletter see who won and what they scored.

There has been some controversy over our decision to change the Point Score rules to follow the change in the EA's method of calculating official points ... with our new method what matters is the score you get, not how you place. Given that there are a number of views regarding the best way of running the point score what your committee have decided to do is ask the members to vote ... so later in this newsletter you will find a summary of both ways of scoring and the rationale behind each ... and we then ask you to let us know which method you would prefer SCEC to use. Results will be published in the next newsletter !!!

Our next comp is on Sunday 21 August ... the JACKPOT class this time is the Elementary 3C ... the entry fees received from entrants for this class will be pooled and the first, second and third placegetters for the class will receive prize money ... part incentive .. and part recognition !!

Thank you to everyone who entered our last comp using Global entries [www.globalentriesonline.com.au](http://www.globalentriesonline.com.au) ... in fact only a couple of people sent me paper entries and we have spoken to them and helped where we can to get them familiar with the new online system. To help the technologically challenged we have included a Global

Entries "How To" Guide in this newsletter (and will put it on our website too) ... hope this is useful !!

A couple of people got caught out with the now less flexible closing date ... remember because it is an online system, and computers aren't as flexible as people, it will mean that the entry close date means exactly that, entries will CLOSE at the date and time nominated !! So don't be late ... get online and enter whilst you are thinking about it !!! If you miss the closing date, all I can do is put you on a reserve list in case we get any scratchings.

Running competition days requires input from many people ... and we ask that all our members volunteer to help with one task or another as often as they possibly can, especially on competition days ... helping set up the grounds, penciling, selling raffle tickets, collecting tests are just some of the myriad of tasks that we need help with. I was so impressed this last comp with the number of people offering to help ... thank you all so much (and you all know who you are) ... you really have no idea how much we appreciate it !!! For once we didn't have enough jobs for all the volunteers ... amazing ... please keep the offers coming ... don't be backward in com-

ing forward and offering to help with whatever you can.

This year SCEC committee meetings will be held on the Wednesday a week and a half before each comp – that is, the committee will meet 6 times during the year (and probably an extra at the end of the year to sort out HOTY/point score etc), rather than each month. All members are welcome and we encourage anyone who may have ideas, suggestions or just a general interest in what's going on to come along. The next meeting is on Wednesday 10th August at 7.30pm at the Aviator Lounge, Albion Park Airport.

Finally, in my role as President, happy riding, and I look forward to talking, working and riding with many of you over the next year.

# South Coast Equestrian Club Annual Point Score

The rationale for the change in rules is that the EA has changed the way official points are allocated so that it is NOT about what place you come (and even if you do a fantastic test, someone else might have achieved a higher score so you only come second), but about the score you and your horse achieve. So it is about what you and your horse are achieving together, and as you improve you gain more points. All the same conditions about being a member, riding in 3 comps during the year, etc still apply.

## Standard Rules

Point score awards are presented to horse and rider combinations.

- Horse and rider of the year prizes are awarded at the following levels - Preparatory, Preliminary, Novice, Elementary, Medium, Advanced and FEI
- Winners at each level are the **horse (pony) and rider combinations** with the highest cumulative points gained at **that level**.
- All divisions at each level are **combined** to establish the **horse and rider of the year** at that level – ie. Associate, Official, Pony, Official Pony and Junior.
- Perpetual Trophies are awarded to the **divisions** of Open, Pony and Junior on the basis of cumulative points (can be more than one level).

To be eligible for point score awards -

1. Riders must be **current** members of SCEC when competing for points to be awarded.
2. The first **5** competitions of the year will be eligible for points.
3. Riders must compete in at least 3 of the eligible competitions during the year.
4. Points will be accrued on scores of **58% and**

**above** at each level (new system) ... **55% and and above** at each level (old system).

5. If 3 tests are entered at any level during an event – the **best 2 results** will be used for the point score calculations.

6. Points are awarded to **horse and rider combinations**

## Suggested New Points Allocation Rules

Points will be allocated on the basis of percentage achieved (not placing). Points are allocated on percentages achieved in every test. The points allocation below reflects the points allocated by the EA in their system for allocating official points, with the exception of the allocation of ½ point for a score between 58% and 59.999%

Points are awarded as follows -

|                         |                       |
|-------------------------|-----------------------|
| • Between 58% - 59.999% | ½ point (SCEC Policy) |
| • Between 60% - 61.999% | 1 point               |
| • Between 62% - 63.999% | 2 points              |
| • Between 64% - 65.999% | 3 points              |
| • Between 66% - 67.999% | 4 points              |
| • Between 68% - 69.999% | 5 points              |
| • Between 70% - 71.999% | 6 points              |
| • Above 72%             | 7 points              |

## Old Points Allocation Rules

Points will be allocated on the basis of placing within the class as follows:

|                |          |
|----------------|----------|
| • First place  | 6 points |
| • Second place | 5 points |
| • Third place  | 4 points |
| • Fourth Place | 3 points |
| • Fifth Place  | 2 points |
| • Sixth place  | 1 point  |

**All SCEC members are invited to vote on their preference of our Annual Point Score System.**

## June 2011 Competition

# GUIDE TO GLOBAL ENTRIES

## GENERAL PRINCIPLES

1. You need access to a computer with email, and a credit card.
2. The very first thing you need to do is register as a competitor.
3. When you do this, you put in all the information about yourself and your horse so that when you go back in to enter a competition all you need to do is pick the event and the tests you want (and pay for them!).
4. The program was designed for showjumping so it may ask for detail you need not worry about. Look for red asterisks which indicate mandatory (required) fields. If one of these is not filled in, the computer will ask you again and you can't get to the next level until it's completed.
5. When you register, it is important that you make a (mental or otherwise) note of exactly how your user name, password and email address are spelled and set out. For example, if you register as j.bloggs or j bloggs and then try to logon as jbloggs without the dot or the space, the computer won't recognise you.
6. You can enter any time before the closing date providing there are "spots left" in the test you want to enter.
7. You can withdraw from any test as long as it is before the closing date and your credit card will be credited with your refund.

## REGISTERING

1. Go to [www.globalentriesonline.com.au](http://www.globalentriesonline.com.au).
2. On home page click on REGISTER NOW button.
3. On the Sign In page fill in your details, tick the Terms and Conditions box and click on the JOIN button.
4. On the Manage Horses page fill in your horse's details. Note that not all the fields are mandatory but as a minimum you need to have the horse's name, bridle number, EA number and whether a stallion or not. Click on SUBMIT button.
5. Your horse will now be created. Note that you can edit details or delete (the cross) the horse.
6. If you have more than one horse fill in the second horse details and click on SUBMIT again.
7. You're finished! Note, on the grey band across the top of each page, there are links to My details, My events, Manage Horses etc so you can return to any of these to make changes at any time.

## LOCATING AN EVENT

1. Go to [www.globalentriesonline.com.au](http://www.globalentriesonline.com.au).

2. In the top left hand corner, under the green house, it will probably say Equestrian Showjumping. Click on the arrow and you will get a drop down from which you click on Equestrian Dressage.
3. Above this is a box called Events – click on it and a selection of events will come up. Scroll down until you recognise the event you want and click on the EVENT DETAILS button.
4. That event will come up. If there is a note in red saying Closed obviously you have missed the closing date. If not, click on DETAILS button.
5. A page with a map, the event details and the tests available with how many spots are left will come up.

## ENTERING AN EVENT

1. Login.
2. A selection of dressage events will come up.
3. Find the one you want and click on event details.
4. Scroll to the bottom and click on ENTER THIS EVENT.
6. A list of the tests will come up. In the left hand column, click on the test you wish to enter and a box will appear asking you to choose the horse. Highlight your horse's name. Then click on the next test you want to enter and do the same. Don't worry about the Round column, this relates to jumping.
7. Scroll to the bottom and click on SUBMIT.
8. Select whether you are competing with a pony and whether you can help on the day.
9. Click on the administration fee box and it will ask which day you are riding. Note this field has a red asterisk and must be filled in.
10. You also must accept the Terms and Conditions which is akin to the EA waiver you submit with paper entries.
11. Click SUBMIT.
12. Click on PAY NOW.
13. Fill in your credit card details and submit. You will get an email confirmation of your entry almost immediately.
14. You're done! Note – if you wander off to find your credit card between steps 12 and 13 and get distracted for more than 20 minutes the program will close down and you may have to start again!

## WITHDRAWING FROM AN EVENT

1. Log in, go to my events and your details will come up.
2. If it is before the closing date you will be able to change or delete your entry. If after the closing date you must contact the club involved to scratch.
