SOUTH COAST EQUESTRIAN CLUB INC NEWSLETTER

May 2012

From the President May 2012

Yippee ... we managed to hold the first actual comp of the year !! I have to say I was not hopeful, but an inspection of the grounds on the Friday prior showed well groomed, and mostly dry grounds and ... we were good to GO !! The weather was not totally kind, and thank you to those that persevered through the showers on the day ... if it helps I rode in the rain for both my tests ... quite hard rain going into one of them ... AND my horse totally distracted because his stablemate mare was on the grounds, and he was positive every other equine male (gelding or otherwise) on the grounds sole purpose in life was to pinch her from him ... high energy, but not very focussed !!!

Congratulations to the winners of our Jackpot class ... the 1C Associate. Given that the class was so well supported, the winners won significant prizes ... \$100 for the winner !!! And don't all us non-juniors hate it that the juniors are SO DAMN GOOD !!! Congratulations to Sarah Williams and Coffee Scroll of Sefton with a winning score of 74.091% ... fantastic ... and

well done !! And to the 2nd place getter, Victoria Shephard and Peppercorn Park Isabella with a score of 72.727% ... also fantastic and well done !!! Luckily an adult (rider, junior horse ... tall but young !!) came third ... well done Karen Allan and Don Cash with a score of 70.227% !!!

Our next comp is Sunday 24 June 2012 (3 days after the winter solstice ... we will have to fit everything into almost the shortest day of the year). Details can be found in this newsletter. Don't forget SCEC have gone on-line – entry to our competitions is via www.globalentriesonline.com.au ... the comp is up and ready to receive entries, closing date is 9pm Friday 8 June ... please don't be late, it causes much grief (for me) when I get THOSE "I forgot ...", or "I didn't mean ..." or "my computer broke at the last minute ..." excuses !!! Don't forget that if you still have a credit with SCEC from the March comp, then when entering this comp please take account of your credit and only pay any additional amount required. If you do not need to pay anything extra then indicate you will be paying by CASH and the system will not require an immediate payment. We will monitor who has paid what.

Running competition days requires

input from many people ... and we have been so impressed over the last few comps with the number of people volunteering ... thank you all so much ... you have made our task of running the comp so much easier !!! Helping set up the grounds, penciling, collecting tests are just some of the myriad of tasks that we need help with. So please keep it up ... don't be backward in coming forward and offering to help with whatever you can.

This year SCEC committee meetings will be held on the Tuesday a week and a half before each comp – that is, the committee will meet 6 times during the year (and probably an extra at the end of the year to sort out HOTY/point score etc), rather than each month. All members are welcome and we encourage anyone who may have ideas, suggestions or just a general interest in what's going on to come along. The next meeting is on Tuesday 12th June at 7.30pm at the Aviator Lounge, Albion Park Airport.

Finally, in my role as President, happy riding, and I look forward to talking, working and riding with many of you over the next year.

**Frances Simmonds
President 2012**

Thank you ...thank you!

The SCEC committee would like to extend our thanks to all the wonderful people who gave up their time to assist us with running our April Competition.

Handy Hints

By Dr John Kohnke BVSc RDA

Handy Hint 1: Masking bad flavours

Does your horse 'sift' or 'spit out' bitter or strong smelling worming or 'bute' granules? Here's a simple way to help him gobble them up! Simply freeze the granules or powder. Mix up a small amount of his favourite food, eg sweet bran mash, offer a taste to get his interest and then mix the frozen granules into the feed. Gobble, munch, gobble - they're gone! Horses can't smell or taste very cold granules. Works on dogs too!

Handy Hint 2: Pasture Rotation

Rotational grazing by shifting horses in rotation around a number of small paddocks can increase pasture productivity by up to 50% as compared to set, continuous grazing of larger paddocks. Horses best utilise pastures from 5cm to 15cm in height during the active growing phase of grass. Short pastures below 5cm are more easily grazed off, reducing viability and competitiveness, encouraging weed invasion and surface damage. Mature plants above 15cm are often less palatable, more fibrous and less digestible. Rotate horses at 3-5 day intervals and either graze-off mature pastures with cattle or sheep, or slash, to maintain a vigorous, highly digestible and productive growth of pasture.

Handy Hint 3: Loose shoes during wet weather

If you have a battle keeping shoes from working loose under wet conditions, try placing a smear of silastic sealant over the clinches. Simply brush to clean the hoof wall around each clinch, use methylated spirits to clean off oils and then carefully dab and spread a layer of silastic sealant

over each clinch head and hole. Stand the horse on a hard surface for 10 minutes until the silastic cures. The silastic will prevent water softening the anchorage area for the clinches and will prevent them from being pulled in to loosen the shoe. Alternatively, barefoot trimming by a skilled practitioner is an option.

Handy Hint 4: Tail rubbing

Adult egg-laden Pinworms can lay up to 600 eggs in a sticky, itchy mass around a horse's anus. This causes the horse to rub the tail and can result in a 'dunny brush' tail. The skin on the tail or back legs can be damaged, leading to bacterial infection or invasion by fungi. An effective way to control Pinworms in combination with your worming program is to regularly wash around the anus, buttocks and under the tail with warm soapy water and a cloth.

Handy Hint 5: Dampening hay the easy way

Dry hay is a source of dust and mould that can be inhaled as a horse eats. Dry hay is also more easily wasted, with up to 50% pulled apart and dropped as the horse eats! The simplest way to dampen hay is to place the allocated portion into a clean polywoven chaff bag and spray or pour 1-2 liters of clean (preferably warm) water over the narrow cut edge so that it soaks down through the bag. Stand for 10 minutes and then feed. You can prepare hay in this way in the morning for the evening feed and vice-versa, but don't let it remain damp for more than 12 hours.

Disclaimer: The information and recommendations in this newsletter have been presented as a guideline based on the veterinary experience and knowledge of the author, Dr John Kohnke BVSc RDA. Whilst all care, diligence and years of practical experience have been combined to produce this information, the author/editor accepts no responsibility or liability for unforeseen consequences resulting from the hints and advice given in this newsletter.

Address of Event / Activity.....

In consideration for being permitted to participate in any way in horse sport activities, I, the undersigned, understand, acknowledge and accept that:

Horse sports are a dangerous recreational activity and horses can act in a sudden and unpredictable (changeable) way, especially if frightened or hurt.

There is a significant risk that serious **INJURY** or **DEATH** may result from horse sport activities.

I knowingly and freely assume all such risks, both known and unknown, and **I voluntarily PARTICIPATE** at my **OWN RISK** and assume sole responsibility for any injury, death or property damage I may suffer that arises from my participation in horse sport activities.

I understand and acknowledge the dangers associated with the consumption of alcohol or any mind altering drugs before and during the activities and I take full responsibility for any injury, loss or damage associated with their consumption. I agree not to drink alcohol or take drugs prohibited by law before or during any horse sports activities.

I agree to follow the directions of any event organiser or official and that any misconduct or refusal by me to follow any direction of any organiser or official can result in the **CANCELLATION** of my participation in the activities and my immediate removal from my horse **NO MATTER** where that may occur. I understand that any such non-compliance may result in injury, death and/or permanent disability as a result of my failure to comply.

I agree to wear a helmet at all times whilst riding where this is required under the relevant EFA and FEI rules and regulations and agree that I am solely responsible for ensuring that whilst riding I wear a suitable helmet at all times where required under the relevant EFA and FEI rules and regulations and take sole responsibility for my actions.

I have had sufficient opportunity to read this assumption of risk agreement, fully understand its terms and sign it freely and voluntarily.
