SOUTH COAST EQUESTRIAN CLUB INC NEWSLETTER

November 2012

From the President November 2012

First and foremost, a VERY BIG thank you to Horseland for once again sponsoring the SCEC Championships ... they are becoming an institution having now sponsored the Championships for the last 3 years ... and we are exceptionally grateful to them as they sponsor with such style, and provide lovely goodies for prizes !!!!

And how about our luck with the weather ???!! The weather gods were certainly on our side for the Championships. After quite a dry spell, in the week prior to the Championships I had 5 inches (125mm to you young things) of rain at my place at Jamberoo, but Terry Reserve only got 2 inches. Melanie and I went to inspect the grounds on Saturday morning, pretty much expecting to find them water logged and unrideable ... and were very pleasantly surprised to find 4 of the 5 arenas in very good condition, and the ground of the grounds, albeit a couple of puddles (with resident ducks, naturally !!), springy but not at all wet !! Hats were thrown in the air, texting ran hot, emails were sent to all, and we were ON !!!

And wasn't it a great day ... we had quite a few scratchings (a lot of injuries ... we hope these gees are on the up and up), but everyone was in a good mood, and the day ran smoothly and pleasantly !!

The judges commented on the relaxed atmosphere (and the lunch of course ... thank you Katherine, always pays to keep the judges well fed !!) ... and didn't we do well for a small country dressage club championships ... we had 4 A level judges officiating for various competitions. SCEC, and our sister clubs in this area, are very lucky that we have a number of A level judges that live in the Illawarra, and who are always willing to come along and judge when their other commitments allow !!!

Last word on the Championships ... well done to all who competed ... but especially well done, and congratulations to those who won or placed in their class and to the champions and reserve champions. Details of who they are can be found later in this newsletter ... as can details of the wonderful sponsors who sponsored each of the classes and levels !!!

Coming up ... we have a very special event we have been trying to get organised for some time now ... Anthony

Hatch of the Fire Brigade NSW and SES has agreed to come and give a presentation on Horse Rescue and Critical Incident Control for Horse Owners. So if you have ever wondered what on earth you would do if you (heaven forbid) had a car accident whilst towing your precious horses, and they were trapped ... come along and find out how the experts would deal with the situation. I promise you it will be an eye opener. Details of this special event are located elsewhere in this newsletter .. but please if you are at all able, do come along ... these sort of opportunities don't happen very often !!! Horseland is co-sponsoring, and again we thank them very much for this !!!

Also coming up, the last SCEC Dressage Comp for 2012 (can you believe the year has gone already !!) ... Sunday 2 December ... entry via www.globalentriesonline.com.au is available now ... and closes 9pm Friday 16 November. Because we can, we have decided to add a bit of festive season sparkle to this comp ... fancy dress is the order of the day ... so dig out those reindeer ears, those Christmas baubles, santa hats, elves costumes, etc and dress up both you and your horse. Prizes for best dressed horse and rider will be awarded !!!

SCEC committee meetings are held on the Tuesday a week and a half before each comp. All members are welcome and we encourage anyone who may have ideas, suggestions or just a general interest in what's going on to come along. The next meeting is on Tuesday 20 November at 7.30pm at the Aviator Lounge, Albion Park Airport.

Finally, in my role as President, happy riding, and I look forward to talking, working and riding with many of you during the year.

Would you know what to do if you were involved in a car accident and the float rolled over with your horses in it???

What if your horse slipped down and embankment, got injured and trapped, or got cast in the stable???

We all think it will never happen to us. Despite the best of precautions it does happen. The initial response in such situations is critical to the outcome.

Would you know what NOT to do?

Forewarned is forearmed and could make all the difference. Come and find out.

Please read flyer in this newsletter for further details.
